To The Student Body of the Kemper County A.H.S. and East Mississippi Junior College:

The session of 1941-42 is near the close. Soon we'll be looking at our Annual and thinking of the varied experiences that we have had this session. Perhaps, this session has been different from any other school year any of us have experienced. Since the beginning of the session Japan has attacked the United States and has killed many of our soldiers. Germany has also gone to war against us. Some of our students have been called into the Armed Service of our Nation. Many of you have experienced tragedies in your homes caused by the war.

I want to congratulate you on the morale that you have maintained under these trying conditions. You have shown the true American Spirit in that you have practiced self-control. You have attacked your problems in this school in a manner that deserves praise in the highest degree.

I believe in the future of America because I believe in you. With citizens of your type our country cannot fail.

Your friend,
J. M. Tubb

Almost two years ago we, as Freshmen, came to E.M.J.C. with determination to succeed. Since that time we have served faithfully and untiringly. Together with the efficient guidance of the teachers and our determination, we have accomplished our tasks; and the doors which opened to welcome us now stand ajar for our exit.

Our carefree school-day memories shall never fade; they will always remain as a priceless gem. Even though words can not express our love for our many new friends nor our appreciation for the many kind deeds done in our behalf, in our hearts we do give thanks.

With the coming of graduation, we realize that we have completed another phase of our life, that tomorrow will be a new day. Before us lie vast expectations, unknown experiences, and new hopes. As we leave this beloved institution, each of us will remember that "With the ropes of the past, we'll ring the bells of the future."

SECRETARY	ILA REE ODOM
REPORTER	EVELYN BRINKLY

We Freshmen came to E.M.J.C. with our hearts bubbling over with the anxiety and eagerness to take an active part in all phases of college life. We were thrilled to take our places even below the mighty Sophomores. We looked forward to Homecoming and Freshman Day, Thanksgiving, Christmas, Spring Holidays, and finally the day we might say, "I'm a Sophomore."

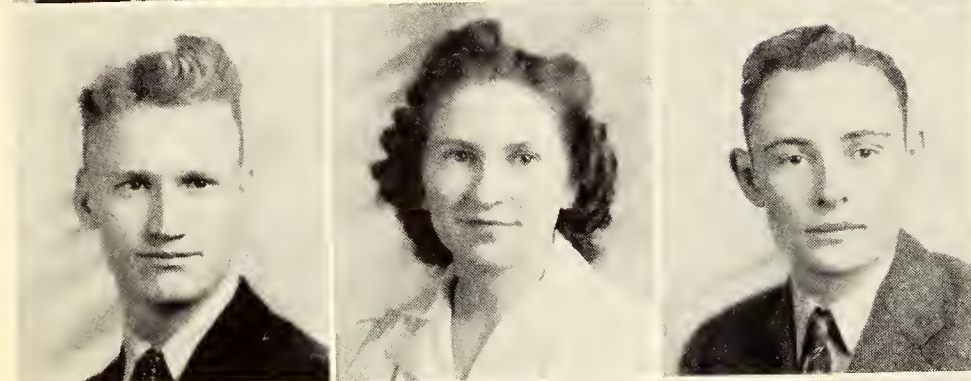

We found that the tiny things which we feared at first were merely imaginations and that college life was really fun. Our first year, memories—pleasant memories—fill our minds and we look forward to the coming year as being just as pleasant, as happy, and as profitable as this one has been.

To the Senior Class of K.C.A.H.S. we extend our parting salute in comradeship with the hope that each member shall continue to manifest the same spirit of loyalty and co-operation shown in High School. Many, as Freshmen, became discouraged and dropped by the wayside; but those who have taken advantage of the opportunities and prepared for a useful and profitable life have attained a spirit of unity that will not be broken by graduation.

The Glee Club with its splendid director, Miss Mary Leila Gardner, and pianist, Miss Dorothy Hollis, has been very active this year. Its programs of classical and semi-classical music, folk songs, and negro spirituals were enthusiastically received by their audiences. The Glee Club sang at a P.T.A. meeting in Cleveland, at Vesper services, gave Christmas and Easter programs, also other performances in neighboring churches and schools.

BAND

Under the able leadership of Mr. C. E. McBride the band has made unusual progress this year. It has given many interesting programs during the year and was in faithful attendance at basket ball and football games.

The band sponsored a festival in which the bands of Macon, DeKalb, and Scooba participated. A large crowd attended the program in the gymnasium.

It competed with other bands of the state at the contest at Jackson. There it displayed skill in marching and talent in music.

The object of the Baptist Training Union has been throughout the year to increase the spirituality of the young people. It has had as its aim the training of young men and women for the Christian service in the church. The B.T.U. is directed by Arva Rae Moore and sponsored by Miss Jones; the other by James Burden, sponsored by Mr. McBride. Mr. Crawford has faithfully served as sponsor for the entire Union. The B.T.U. along with similar organizations has made college life a pleasure.

During the year, the Wesley Foundation has developed Christian leadership and promoted higher religious ideals among its members. This organization, which is sponsored by Mr. Childres, is composed of the students belonging to the Methodist Church.

The Dramatic Club, the largest club on the campus, has furnished another year's work successfully. It has functioned for the enjoyment and inspiration of the entire student body, not reserving its entertaining presentations for the members alone.

It has followed the same plan for progress that it used last year.

Directors, stage managers, electricians, and actors were elected from the club for each production. In this way nearly all of the students interested in dramatics had an opportunity to use and to develop the most evident talent.

Miss Loris Shipman, the sponsor, worked earnestly with a co-operative group who comprised the Little Theatre. Since none of the other Junior Colleges wished to participate in the annual inter-college contest, this group did not compete with any other dramatic organization. The two plays, however, were presented in the college auditorium on March 27. The members of the casts proved to the satisfaction of everyone their worthiness of being called actors and actresses.

FOOTBALL

As we thumb through the pages of our 41-42 annual, we linger with pleasant memories of our football squad. With only three regulars and one reserve back from the 40-41 squad and with only a few boys that had had experience in football, the Scooba Lions playing a fighting brand of football all the way, gave a good account of themselves in every game. With fond thoughts we recall the praises received by each boy for his fighting spirit and fine sportsmanship that was shown in each game.

The boys all played the game for the love of it and always showed the finest spirit toward practices. We smile with pleasure to remember those "hot" practices and we are very proud of the fact that during the entire season we had only one boy miss only one day of practicing and that was due to sickness.

Although our scores were not always as we would have had them, every boy won a victory in the knowledge that he had given his all for his team and for his school.

In the past, and only, season that Coach Childres has been with us, he has not only made an outstanding name in his profession, but he has won the admiration of all coaches and players. Coach Childres was not only admired for his work with athletics, but also his religious attitude was felt deeply. Nobody has ever heard him speak unkindly of another—either friend or foe. It can be truly said that his teams showed more sportsmanship than any other team.

BASKET BALL

If adhering strictly to statistics we find that our team hasn't the most powerful aggression of basket ball talent in the conference, but we have proved that boys with the team spirit and sheer scrap of our ball club meant as much when the chips were down as a team studded with stars. Although throughout the season we played a steady brand of ball with occasional flashes of brilliance we were classed from the score book standpoint as not even a mediocre assortment of players. Being host to the Junior College tournament gave us the chance to prove whether we were really a ball team or just an "also played" team. We upset the "dope" the first night by pushing past Poplarville, the leading contender for State Championship, 33-40. Playing an inspired game of ball in the semi-finals we romped 'round Raymond 36-30. Fighting an uphill battle, the next night, we were all the way destined to become the second best team in the conference for two successive years. We lost, incidentally, in the finals 42-36. We love to think and still believe we would have the winners' trophy had we not lost our sharp shooting forward Ben Gaun. An outstanding player all season and unanimous choice for All State first team center was lanky "Wild Bill" Duncan, scoring 303 points in the regular season and tallying 53 in the tournament. Going one better than we did last year we had an All State Guard in the form of Haze Akins whose slogan was "He can't score if you don't let him shoot," and he proved it throughout the season. Our three other starters received honorable mention for their outstanding performances.

Dear Dad

We have been in school together for nine months but a little more than school matters we the last few weeks, and I have enjoyed it to the fullest. Always remember Dad that when you think anyone has forgotten you, I will be one that will never forget.

Love
Bill D

Dear Dorothy —

You have been swell in putting out this "fine" Annual. I really did learn to love you. You have been so nice and sweet that I can't forget you ever. Always remember me as your friend and co-editor.

Forever a friend,
Jackie

Dear Dad,

I've really enjoyed knowing you + I'll never forget the French class. Don't forget "Gilly"

always,
Jimmy Gilmore

Dorothy,

I certainly have enjoyed knowing you these two years. I love you lots + wish you success. Love —

Dear D.
I count it a privilege as well as a pleasure to write to
the sweetest girl I've ever known's book. This is only a reminder
for the times I'm not with you, how dearly I love you. During
these nine months have meant more to me than other I've ever
known, because you have made it so. We have been through
so much together, and every little incident has deepened my
love, and made you more a part of me.

This annual is one of the best. None as well as I know
how much you were the cause of it. It is really a splendid
piece of work. You have some many qualities that will
win you many friends and carry you far in this world, if
you care to. You know I advise you more than
any person I've ever known.

I hope this letter will find you just the beginning
of a friendship that will be so heartwarming. Keep your
fingers crossed for us all and see how our plan
works out.

Don't ever forget Halloween night 1941, the paper and
annual stuff, picnic, the Diplomate picnic, and the two dances.
These are some of the things that are outstanding memories.
You are a cute little dickens, and I love you very, very
much. Remember this fact when you feel blue.

Love always,
Mary Bonke.
